CASE NO. 2005-00437

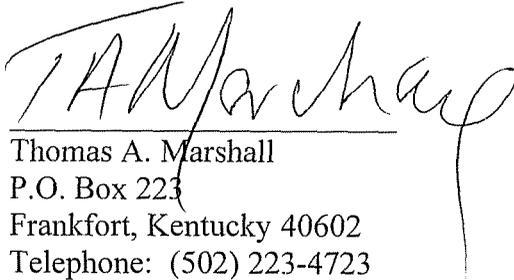

ANSWER FOR PEAKS MILL WATER DISTRICT

The Peaks Mill Water District (“Peaks Mill”) promptly filed its Motion to Dismiss this action in November, 2005. That motion was ruled upon by Order dated February 24, 2006. By some inadvertence, the Order was not mailed to counsel for Peaks Mill Water District (“Peaks Mill”), until some days later, and only after inquiry by counsel. Inasmuch as the Commission has made an initial ruling on the Motion to Dismiss, counsel hereby tenders this answer to the complaint. This is done even though the Motion to Dismiss was in essence the same as an answer in this proceeding.

1. The Defendant admits so much of the complaint as states that Peaks Mill Water District has declined to provide Mr. Quarles water from a connection to its water transmission line at a point in Owen County. As to any other statement by the complainant, the Defendant has insufficient information upon which to form a belief.
2. The Defendant incorporates its Motion to Dismiss and the arguments contained therein in its answer to the complaint, and continues to believe and allege that

Peaks Mill should not be ordered to provide water under the circumstances sought
by Mr. Quarles.

Respectfully submitted,
